8 DECENT WORK AND ECONOMIC GROWTH

Dhanalakshmi Srinivasan University (DSU) proudly presents its annual report for 2023, highlighting our commitment to Sustainable Development Goal 8 - Decent Work and Economic Growth. This comprehensive report outlines our initiatives, achievements, and contributions towards promoting sustained, inclusive, and sustainable economic growth, full and productive employment, and decent work for all.

Inclusive Employment Policies: DSU is committed to fostering a workplace that promotes inclusivity and diversity. Inclusive employment policies ensure equal opportunities for all, irrespective of gender, caste, religion, or background. The institution prioritizes creating an environment where every member feels valued and has the opportunity for professional growth.

Skill Development Programs: DSU actively engages in skill development programs to empower students with the necessary skills and knowledge for the job market. Collaborations with industry partners and regular industry-relevant curriculum updates ensure that DSU graduates are well-prepared and competitive in the workforce.

Internship and Placement Support: DSU emphasizes practical exposure and industry experience through robust internship programs. The institution facilitates partnerships with various industries, providing students with valuable real-world experience. Placement support services connect students with potential employers, contributing to their successful entry into the workforce.

Research and Innovation for Economic Growth: DSU contributes to economic growth through research and innovation initiatives. Faculty and student-led research projects explore innovative solutions, contributing to the advancement of knowledge and fostering an environment where ideas can translate into economic opportunities.

Entrepreneurship Development: DSU encourages entrepreneurship among students by providing support for start-up initiatives. Entrepreneurship development programs, mentorship opportunities, and access to resources empower students to explore and establish their ventures, contributing to economic growth at both the local and national levels.

Future Plans:

- Expand inclusive employment policies and diversity initiatives.

- Strengthen skill development programs in alignment with industry needs.

- Enhance internship and placement support services.

- Foster increased research and innovation for economic growth.

- Scale up entrepreneurship development initiatives.

Dhanalakshmi Srinivasan University's commitment to Sustainable Development Goal 8 - Decent Work and Economic Growth is evident through our inclusive employment policies, skill development programs, internship and placement support, research and innovation initiatives, and entrepreneurship development efforts. DSU remains dedicated to nurturing a workforce that contributes to sustained economic growth and building a future where decent work is accessible to all.
