# NEWS LETTER

Jan-March  
2024

Dear Members of Dhanalakshmi Srinivasan University,

As we gather to reflect on the past three months, I am filled with a profound sense of pride and gratitude for the vibrant tapestry of engagement that defines Dhanalakshmi Srinivasan University. From academic achievements to cultural celebrations, from community outreach to moments of innovation and collaboration, our campus has been a beacon of excellence and opportunity.

I would like to extend my heartfelt appreciation to each and every member of our university community – students, faculty, staff, alumni and friends – for your dedication, passion and commitment to advancing our shared mission of learning, discovery and service. Together, we have achieved remarkable milestones and overcome significant challenges, demonstrating resilience, creativity and a spirit of unity that inspires us all.

As we look ahead to the future, let us continue to build upon the foundation of excellence and inclusivity that defines Dhanalakshmi Srinivasan University. Let us remain steadfast in our commitment to fostering a community where every voice is heard, every perspective is valued and every individual is empowered to reach their fullest potential. I am confident that together, we will continue to make a positive impact in the lives of our students, the advancement of knowledge, and the betterment of society. As we embark on this journey together, let us embrace the opportunities before us with courage, compassion and a sense of shared purpose.

Together, we will continue to achieve greatness and make a difference in the world.

Smt. Ananthalakshmi Kathiravan  
Pro Chancellor, DSU

## Celebrating Campus Life A Tapestry of Engagement

As we reflect on the past three months at Dhanalakshmi Srinivasan University (DSU), we are reminded of the vibrant tapestry of experiences, interactions and achievements that collectively defines campus life. From academic endeavours to cultural celebrations, from community engagements to moments of creativity and innovation, DSU has been a hub of activity, diversity and collaboration.

### **Celebrating Diversity and Inclusion:**

At the heart of DSU lies a commitment to diversity, inclusion and belonging. Over the past months, DSU campus has been alive with a kaleidoscope of cultures, perspectives and voices. From multicultural festivals to interfaith dialogues, DSU embraced the differences and found strength in our shared humanity.

### **Empowering Student Leadership:**

Students of DSU are the driving force behind much of the energy and vitality on campus. Through student-led initiatives and clubs, they have demonstrated leadership, innovation and a commitment to making a positive impact in our community and beyond. Whether through organizing social justice campaigns, launching entrepreneurial ventures or advocating for sustainability, students of DSU continue to inspire their passion and dedication.

### **Fostering Academic Excellence:**

Academic inquiry and intellectual curiosity are the cornerstones mission at DSU. Over the past months, DSU campus has been abuzz with scholarly pursuits, research discoveries and academic achievements. From faculty-led seminars to student research symposiums, from groundbreaking discoveries to scholarly publications, DSU has celebrated the pursuit of knowledge in all its forms.

### **Nurturing Wellness and Well-Being:**

A healthy and thriving community is essential to our collective success. Through wellness programs, recreational activities and initiatives promoting mental health and well-being, DSU has prioritized the holistic development of students, faculty and staff. From yoga sessions to outdoor adventures, from mindfulness workshops to sports tournaments, DSU has embraced a culture of wellness that nurtures the mind, body and spirit. As we come together to celebrate the richness and diversity of campus life, let us take pride in the vibrant tapestry of engagement that defines our university community. Let us continue to foster a culture of inclusivity, collaboration and excellence as we embark on the journey ahead.

## Pongal celebration

### Grand Pongal Extravaganza: A Celebration of Tradition, Unity, and Cultural Richness at Our University

On 10<sup>th</sup> and 11<sup>th</sup> January, 2024, the campus came alive with the vibrant spirit of Pongal as students and faculty joined in traditional festivities. The first day was filled with exhilarating traditional sports activities like Uriyadi and Tug of War, where participants showcased their agility, strength and teamwork.

The second day of Pongal celebration was graced by esteemed dignitaries, including Honourable Chancellor, A. Srinivasan, Pro Chancellor, Smt. Anathalakshmi Kathiravan, Neevane Kathiravan, Managing Director, Dhanalakshmi Srinivasan Medical College and Hospital, Siruvachur and Air Marshal Dr. C.K. Ranjan AVSM VSM (retd), Vice Chancellor. Their presence added grandeur to the occasion as they joined in the festivities, immersing themselves in the rich cultural tapestry of our university. Chancellor A. Srinivasan embarked on a campus tour, witnessing firsthand the infectious enthusiasm of our students. To honour the occasion, separate huts were set up for each school, where students eagerly prepared Pongal, symbolizing prosperity and abundance. The celebration continued with captivating cultural performances, including Bharatanatyam, Oyilattam, Thappattam and folk dances, showcasing the rich heritage and talent within our university community. Adding to the pride of the occasion, Kamallesh, a second year Bachelor of Physiotherapy student and Asian-level Silambam champion, mesmerized the audience with his exceptional skills in the traditional martial art form.

The Pongal celebration was a testament to the rich cultural heritage and vibrant community spirit that define our university.

## Republic day

### Republic Day Celebration: A Tribute to Unity and Patriotism

In a grand spectacle of national pride and unity, DSU came together to commemorate the 73<sup>rd</sup> Republic Day. The honourable Pro Chancellor, Smt. Anathalakshmi Kathiravan, graced the occasion as the presiding dignitary, radiating grace and dignity as she led the celebrations. Joining her were esteemed guests, including Air Marshal Dr. C.K. Ranjan AVSM VSM (retd), Dr. A. Thulasi, Dean, Srinivasan Medical College and Hospital and Dr. Akilandeshwari, Dean, Pharmacy, whose presence added to the solemnity of the event. The ceremony commenced with a solemn flag unfurling by the Pro Chancellor, accompanied by the stirring strains of the National Anthem performed by the university band. A parade, led by our proud cadets, marched through the campus, a testament to the disciplined spirit and commitment to service instilled in our youth. The cultural program that followed showcased the rich tapestry of our nation's heritage, with vibrant dances, stirring music and theatrical performances that celebrated the diversity and unity of India. The day culminated in a prize distribution ceremony, where the Pro Chancellor, with a warm smile and a firm handshake, recognized the achievements of students, inspiring them to strive for excellence in all their endeavours.

# Anantara

## **Anantara: A Celebration of Cultural Diversity and Unity**

DSU witnessed a historic moment with the inauguration of Anantara, a grand cultural fiesta that unfolded over two days on 22<sup>nd</sup> and 23<sup>rd</sup> March, 2024. This inaugural event, hailed as the largest of its kind in the university's history, brought together students, faculty and esteemed guests in a celebration of cultural diversity, talent and unity.

### **Prelude: Logo Launch and Anticipation Build-up**

The journey towards Anantara's grandeur commenced two weeks prior with the unveiling of its logo by our esteemed Shri. A. Srinivasan, Chancellor, Smt. Ananthalakshmi Kathiravan, Pro Chancellor and Nirmal Kathiravan. This symbolic gesture not only marked the formal initiation of preparations for the event but also ignited a sense of anticipation and excitement among the university community. The campus buzzed with activity as students and faculty eagerly awaited the unfolding of this monumental celebration.

### **Day 1: A Stellar Inauguration**

The first day of Anantara dawned with an atmosphere charged with anticipation and excitement. Shri. A. Srinivasan, Chancellor, Smt. Ananthalakshmi Kathiravan, Pro Chancellor, Nirmal Kathiravan, Neevane Kathiravan, Managing Director, Dhanalakshmi Srinivasan Medical College and Hospital, Siruvachur, Neelraj, Dhanalakshmi Srinivasan Groups, Dr. C.K. Ranjan, Vice Chancellor and Dr. Dhanasekaran Devaraj, Registrar along with other esteemed dignitaries, graced the occasion with their presence. The event commenced with a vibrant traditional welcome dance. Guided by the charismatic duo of KPY Bala and VJ Parvathy, the audience embarked on a journey through a plethora of performances. The presence of renowned personalities such as actor and music director G.V. Prakash Kumar and actress Kalayani Priyadarshan added an extra layer of charm and allure to the event. The melodious tunes of the Chennai based Staccato band filled the air, enchanting the audience and setting the stage for an unforgettable evening of cultural immersion and celebration.

### **Day 2: A Spectacular Showcase of Talent**

As the dawn broke on the second day of Anantara, the excitement reached new heights. Once again, the distinguished guests graced the event, accompanied by a fervent audience eager to witness another day of cultural extravaganza. The day unfolded with a series of breathtaking dance performances from students across all the schools.

Guided by the affable hosts VJ Kalyani, Myna Nandhini and actor Sathish, the audience was treated to a feast for the senses. The presence of chief guests, actor Sivakarhikeyan and actress Sreeleela, added an aura of excitement and anticipation to the proceedings. Their interaction with the audience served as a reminder of the power of culture to unite and inspire.

### **Anantara's Legacy and Impact**

As the curtains closed on Anantara, it left behind a legacy of cultural celebration and unity that will resonate within the walls of Dhanalakshmi Srinivasan University for years to come. The event served as a testament to the university's commitment to fostering creativity, diversity and inclusivity. Through Anantara, students had the opportunity to showcase their talents, celebrate their cultural heritage and forge connections that transcended boundaries. The event may have concluded, but its impact will endure, inspiring future generations to embrace diversity, nurture creativity and celebrate the richness of Indian culture. Anantara truly embodied the spirit of unity in diversity, showcasing the beauty and vibrancy of our multicultural society.

# Events

## **Empowering Students through ICC Awareness and Advocacy**

On 24<sup>th</sup> January, 2024, an essential awareness session on the Internal Complaints Committee (ICC) was conducted by Mr. Yugesh Karan, a student member of the ICC, for third-year Engineering students. The session drew the participation of approximately 125 students. Through a comprehensive powerpoint presentation, Mr. Karan elucidated the purpose and functioning of the ICC, including the complaint process, avenues for redress, and future plans. Importantly, he emphasized the significance of addressing issues related to sexual harassment and encouraged students to step forward and report any such concerns. This session served as a valuable opportunity to raise awareness and empower students to ensure a safe and respectful learning environment.

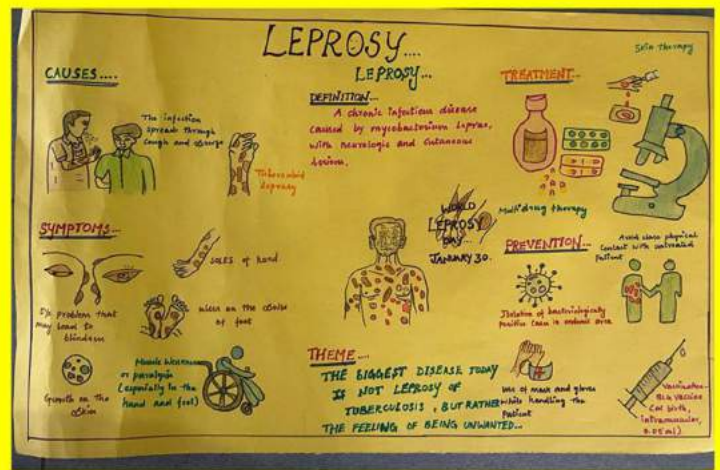

Centre for Research, Dhanalakshmi Srinivasan University successfully conducted the DSU Hack-O-Verse '24, on 30<sup>th</sup> & 31<sup>st</sup> January, 2024, the inaugural edition of DSU Annual Hackathon wherein 350 student innovators across disciplines displayed their innovative solutions and skills in coding, problem-solving and collaboration. Students showcased their ideas and prototypes in the areas of Agriculture and Technology, Health Technology, Drones, Clean & Green Technology, Block Chain, Cybersecurity, IOT, etc.

The event aimed to foster creativity, teamwork and entrepreneurial thinking among students, providing a platform for them to showcase their talents and connect with industry experts and mentors. The event was inaugurated by Dr. C. K. Ranjan, Vice Chancellor and Dr. A. Thulasi, Registrar (i/c), with the support of esteemed Chief Guest Dr. C. Vanniarajan, Director of Trichy Agribusiness Incubation Forum (EDII-TABIF). Guided by the adept leadership of Dr. R. Nagarajprakash, Associate Dean, Centre for Research, as convener and supported by Dr. N. Shanmugapriya, Vice President, IIC and Dr. O. S. Asiq Rahman, Coordinator, E-Cell, the hackathon seamlessly unfolded within Dhanalakshmi Srinivasan University's academic precincts. Students received mentorship from successful startup founders, including Mr. Prabhu Karuppanan (Project Associates, StartupTN), Dr. Sivakumar Muthusamy (CTO, Ariviya Deep Tech.), Ms. Madhu Nachammai (CEO, Thenus), Mr. Praveenraj (COO, Techvoyager) and Mr. Mohamed Ithiyas (CEO, Robotian), while Mr. Prabakaran Krishna, Founder and CEO of GoGreenVerz, graced the event as the chief guest. A crowning achievement was the project led by Uday Kiran, Ramana Kumar, Nitish, and Praveen, showcasing outstanding innovation in blockchain (Azadnet- Twin Protocol, ATOP), securing the first position and earning a cash prize and seed funding of 1 Lakhs. Niranjana S and Naveen M claimed the second position with their innovative project on surveillance using drones (MARK VISION), and Gunti Sneha, Karanam Thanmai and Karri Srilatha jointly held the third position for their commendable road safety initiative (SAFE STREET INNOVATORS), with both teams awarded cash prizes and seed funds totalling 1.25 lakhs.

### Hansen's Poster Presentation Competition at DSU on World Leprosy Day

The School of Physiotherapy at DSU organized an event - 'Hansen's' as part of its awareness program on World Leprosy Day. This was held on 30<sup>th</sup> January 2024, the event aimed to shed light on the importance of understanding and combating leprosy. A highlight of the event was the Poster Presentation Competition, which garnered significant participation and enthusiasm from students. It showcased their creativity and knowledge, presenting insightful posters that highlighted various aspects of leprosy awareness, prevention and treatment. Certificates were awarded to winners' for their outstanding contributions and innovative presentations. The success of the Hansen's Poster Presentation Competition underscores the School of Physiotherapy's ongoing efforts to engage students in meaningful initiatives that address pressing health issues and contribute to the greater good.

### Celebrating World Thinking Day at DSU

On 8<sup>th</sup> February, 2024, the School of Physiotherapy Wellness Nest (Stress-free club) at DSU proudly celebrated World Thinking Day. World Thinking Day is a momentous occasion that encourages individuals worldwide to ponder and reflect on critical issues affecting our global community. Students, faculty and members of the Stress-Free Club came together to engage in various activities aimed at promoting mindfulness, introspection and mental well-being. The event featured insightful discussions, interactive workshops and relaxation exercises designed to encourage participants to explore the importance of the mental health and self-care.

Attendees had the opportunity to share their thoughts, experiences and strategies for managing stress and maintaining overall well-being in today's fast-paced world.

### Empowering Health Advocacy: Hepatitis Vaccination Awareness Initiative

A dynamic awareness session on the importance of Hepatitis Vaccination was held on 8<sup>th</sup> February, 2024, captivating first-year AHS students. Dr. Radha Kumari S, Head of the Microbiology Department at SMCH, spearheaded this enlightening initiative, aiming to illuminate the significance of Hepatitis Vaccination in safeguarding public health. Dr. Radha Kumari S delved into the diverse strains of Hepatitis and their potential health risks throughout the session. The session provided an interactive platform for students to deepen their understanding of Hepatitis Vaccination's pivotal role in individual and community health. Engaging discussions, informative presentations and practical demonstrations enriched the learning experience, empowering students with crucial insights into disease prevention.

### World Radio Day Celebration - 15<sup>th</sup> February 2024 Students Showcase Creativity and Passion at 'Radio Shack' Event on World Radio Day

'360 Creatives' the Fine Arts Club, under the Aegis of Students' Affairs, organized an exhilarating event titled 'Radio Shack' in commemoration of World Radio Day on 15<sup>th</sup> February, 2024. This vibrant competition served as a platform for students to showcase their creativity and passion for radio broadcasting, echoing the theme of this year's World Radio Day celebration.

"Radio Shack" was more than just a competition, it was a celebration of the power of radio as a medium of communication, information and entertainment. Participants were tasked with creating and presenting their own radio stations, each with a unique identity and programming line-up. From music shows to talk shows, from news bulletins to interactive segments, the creativity on display was truly inspiring. The competition judged not only the content of the radio stations but also the presentation skills and technical proficiency of the participants. Dr. Pathma J, Associate Dean Students' Affairs offered felicitations as well as formed the part of judging panel along with Dr. Sasi Kumar G, Associate Dean, SET and Prof. Bobby N, Faculty coordinator of Fine Arts Club. Ms. Bhavanya and team from School of law bagged the First prize and Mr. Benjamin Franklin and a team from the School of Physiotherapy bagged the second prize. The third place was shared by Ms. Dee Flintoff Mary and team from School of Agricultural Sciences and Ms. Harini and team from Srinivasan Medical College and Hospital. The event brought together students and faculty members from diverse backgrounds, all united by their love for radio and their desire to express themselves through this timeless medium.

### Insightful session from Interventional Day Celebration

The Interventional Day celebration was organised by the School of AHS on 15<sup>th</sup> February, 2024, by esteemed dignitaries Dr. D. Dhanasekar, Registrar, Dr. A. Thulasi, Dean, Srinivasan Medical College and Hospital, Prof. A. Pechiammal, Dean, School of Paramedical Sciences and Dr. K. Rekha, Associate Dean, School of Allied Health Sciences. Mrs. Eswari S.S, Assistant Professor of Cardiovascular Technology, coordinated the event. Dr. K. Rekha, delivered an interactive lecture on Myocardial Infarction, engaging students from the Allied Health Sciences. Dr. N. Senthilkumar Nallusamy's guest lecture emphasized the importance of organ donation and cardiac interventions, accompanied by animated videos. Additionally, a skit on Basic Life Support (CPR) provided a practical demonstration of essential life-saving techniques.

## Students Shine in Intramural Ball Badminton Tournament

The spirit of sportsmanship took center stage during the Intramural Ball Badminton Tournament organized by the Department of Physical Education under the auspices of the Students' Affairs on 27<sup>th</sup> and 28<sup>th</sup> February, 2024.

The tournament began with Mr. A. Vivek, Chief Ticket Inspector of Southern Railway, Trichy, as the chief guest, and Dr. Dhanasekaran Devaraj, Registrar, offering felicitations. Mr. Vivek's inspiring address set the tone for the competitive matches ahead, with Deans from various schools adding prestige to the event. Five male teams and three female teams participated, showcasing broad student enthusiasm. The finals on February 28th, graced by Dr. C. K. Ranjan, Vice Chancellor, saw intense competition. The School of Engineering and Technology emerged victorious in the male category, with the School of Agriculture as runner-up. In the female category, the School of Agriculture claimed the top spot, with the School of Engineering and Technology as runner-up.

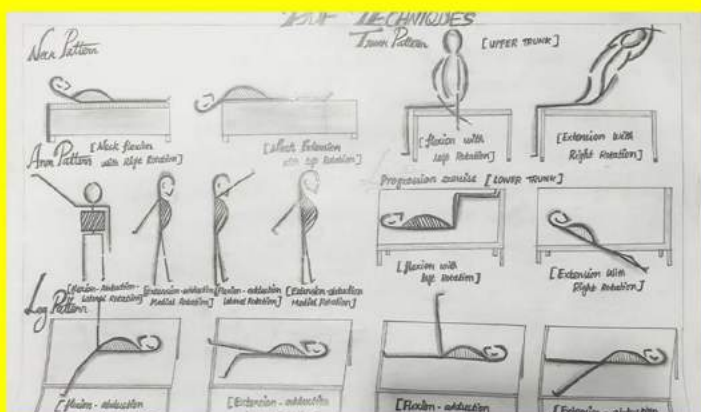

## Celebrating National Science Day at School of AHS: Techtopia 2K24

National Science Day - 'Techtopia 2K24' was organized by 'The Brainiac's - Science Club' under the aegis of Students' affairs on 28<sup>th</sup> February, 2024, marking a vibrant celebration of scientific inquiry and innovation. The day commenced with an engaging exhibition showcasing students' scientific knowledge and creativity.

Dr. S. Arul Daniel, Professor, Department of Electrical and Electronics Engineering at the National Institute of Technology, Trichy, graced the event as the Chief Guest, delivering an enlightening talk on 'The Boundlessness of Science.' The event provided a platform for students to showcase their talents and skills through various competitions such as Elocutions, Poster presentations, Face painting, Verbal maestro, Image Rapport, Best from waste and Mime Show. The participation of nearly 202 students showcased their scientific acumen and creativity. The faculties and students of SAHS actively supported and facilitated the smooth conduct of the event, ensuring its success.

## DSU's School of Physiotherapy Hosts 'Fearless Figure Drawing' Competition, Attracts Talent Beyond Campus Borders

On 29<sup>th</sup> February, 2024, the School of Physiotherapy at DSU organized the inaugural "Fearless Figure Drawing" competition. This unique event showcased the artistic talents of students from various colleges, drawing participants from beyond our campus borders. With a focus on the human form, participants demonstrated their creativity and skill in capturing the essence of movement and anatomy through stick figure drawings. The competition fostered a spirit of artistic expression and collaboration, providing a platform for students to showcase their talents and connect with peers from other institutions.

### Empowering Awareness on ICC

An awareness session on the Internal Complaints Committee (ICC) was conducted by Dr. V. Thamil Selvi, the ICC chairperson and Dr. R. Oviya, an ICC member. These sessions were tailored for Allied Health Science students across all academic years. From 1st to 6th March, 2024, over 1110 students actively participated, engaging in discussions and presentations that were meticulously crafted to familiarize them with the ICC's functions, complaint processes, and avenues for redressal. Dr. Thamil Selvi and Dr. R. Oviya, through their adept facilitation, encouraged students to overcome any apprehensions and come forward to report instances of misconduct, particularly those related to sexual harassment.

### Empowering Educators: Success of the Faculty Development Program at DSU's School of Allied Health Sciences (SAHS)

The Faculty Development Program was conducted by the School of Allied Health Sciences at DSU on 2<sup>nd</sup> March, 2024. A highlight of the event was the esteemed presence of Dr. R. Parthasarathy, M.D., Associate Professor from the Department of Community Medicine at KAPV Government Medical College, Trichy. Dr. Parthasarathy delivered an insightful guest lecture, delving into various aspects of educational pedagogy. Dr. Parthasarathy's discussion on 'Bloom's Taxonomy', 'Cognitive Thinking', 'Miller's Pyramid', 'Teaching Psychomotor Skills' and 'Stages of Competency and the steps to achieve it' provided invaluable insights to the participating educators. Moreover, his interactive session facilitated meaningful exchanges and enriched the learning experience for all attendees.

The success of the Faculty Development Program underscores our commitment to empowering faculty members with the necessary skills and resources to excel in their roles as educators and mentors. The School of Allied Health Sciences remains steadfast in its dedication to promoting excellence in education through continuous professional development initiatives.

### Voter Awareness Campaign - 2024: #Mera Pehla Vote Desh Ke Liye#

DSU witnessed a remarkable display of civic engagement and democratic fervour as students from all schools actively participated in a Voter Awareness Campaign between 6<sup>th</sup> to 14<sup>th</sup> March, 2024. Organized by the Electoral Literacy Club, operating under the aegis of Students' Affairs, this campaign comprised a series of impactful activities aimed at instilling a sense of responsibility and awareness among the student body regarding their crucial role in the electoral process.

### Poster Exhibition

On 6<sup>th</sup> March, 2024, DSU hosted a Voter Awareness Poster Exhibition, an event designed to enlighten students about the paramount importance of voting. The exhibition showcased a collection of thoughtfully crafted posters, all conceptualised and designed by our very own university students. The inauguration of this significant event was graced by the Honourable Vice Chancellor, Dr. C.K. Ranjan and Registrar, Dr. Dhanasekaran Devaraj. Their presence added prestige to the occasion and underscored the university's commitment to civic engagement. The meticulous planning and execution of the exhibition were overseen by Dr. R. Vijayalakshmi, Coordinator of the Electoral Literacy Club, along with a dedicated team of faculty members, under the guidance of Dr. Pathma J, Associate Dean, Students' Affairs. Their efforts ensured the seamless organization of the event, which attracted nearly 1000 students, many of whom were first-time voters.

### Poetry recitation competition

Poetry recitation competition was organised on 07<sup>th</sup> March, 2024 in Dhanalakshmi Srinivasan University (DSU), Samayapuram. It was conducted both in English and Tamil with the theme 'My Vote, My Future' and 'எனது வாக்கு, எனது எதிர்காலம்'.

A total of 12 students from various Schools of DSU actively participated in the English Poetry recitation competition. Dr. Meganathan R, Professor, School of Engineering and Technology, Dr. K. Tharmar, Director of Physical Education, DSU and Dr. Sriranganathan, Assistant Professor, Srinivasan Medical College and Hospital were the judges for the event. Around 17 students participated in the Tamil Poetry recitation competition. Dr. Rekha, Professor and Associate Dean, School of Allied Health Science; Dr. C. Suresh, Professor, School of Engineering and Technology and Dr. Parthasarathy Nanjundan, Associate Professor, School of Engineering and Technology were the judges for the event. The winners were awarded with prizes for both the English and Tamil Poetry recitation Competitions.

### Essay Writing Competition

Essay Writing Competition was organised in the theme 'My Vote, My Future' for the students both in Tamil and English on 08th March, 2024 at Dhanalakshmi Srinivasan University (DSU). The competition aimed at creating awareness about the significance of voting among the students. Around 30 students from the various schools of DSU participated in this event. The Tamil Essay Writing Competition was judged by Mrs. Saranya, Professor, School of Allied Health Sciences and Mr. Loganathan, Tutor, School of Allied Health Sciences. The English Essay Writing Competition was judged by Mr. Akash, Assistant Professor and Mr. Loganathan, Tutor, School of Allied Health Sciences.

### Voter Awareness Campaign Rally, Pledge Taking and Signature Campaign in Dhanalakshmi Srinivasan University

The campaign kicked off on 11<sup>th</sup> March, 2024, with a gathering of nearly 600 students, primarily first-time voters, representing various schools of DSU, along with their faculty coordinators. Honourable Vice Chancellor Dr. CK Ranjan set the tone for the day with an inspiring address, emphasizing the importance of active participation in the democratic process. The highlight of the event was the pledge-taking session, where first-time voters committed to democratic values and expressed their dedication to making informed choices in upcoming elections. This session was followed by the inauguration of the Signature Campaign by Honourable Dr. CK Ranjan, Vice Chancellor, Dr. Dhanasekaran Devaraj, Registrar, Deans, Associate Deans and other dignitaries. Students enthusiastically participated, signing to symbolize their commitment to democratic principles.

Amidst an atmosphere of energy and enthusiasm, Dr. C.K. Ranjan, Vice-Chancellor of Dhanalakshmi Srinivasan University, flagged off the rally, reaffirming the institution's commitment to cultivating electoral literacy and encouraging civic engagement. Students marched through the university premises, brandishing banners and placards adorned with messages advocating for responsible voting and active citizenship. Slogans echoed through the air, creating a spirited atmosphere of commitment and dedication. The campaign achieved widespread participation, with students eagerly adding their signatures to affirm their dedication to upholding democratic principles. Additionally, a designated selfie point was set up during the Voter Awareness Campaign, where both students and faculty members enthusiastically captured moments.

### Poster Making Competition

Poster Making Competition on the theme 'My Vote, My Future' was organised on 12<sup>th</sup> March, 2024 at Dhanalakshmi Srinivasan University (DSU). The competition aimed at creating an awareness about the significance of voting among the students. The event brought together around 33 participants from various Schools within the University. The competition was skilfully coordinated by Mrs. S.M. Sindhu, Assistant Professor, School of Architecture. Dr. Rajkumar, Dean, School of Law and Mr. Sathya Vishnu Karthik, Dean, School of Architecture, Mrs. Saranya, Professor, School of Allied Health Sciences played their role as the judges of this event.

### Voter Awareness Quiz Competition

Voter Awareness Quiz Competition was held on 12<sup>th</sup> March, 2024 at Dhanalakshmi Srinivasan University (DSU). The competition aimed at creating awareness about the significance of voting among the students. The event brought together around 17 enthusiastic teams with a total of 85 participants from various Schools within the University. The competition was skillfully coordinated by Mr. K. Balaji Research Scholar, Junior Assistant Professor of English, School of Law. Mr. R. Govindaraj and Mr. B. Nitheesh Krishnan, both Junior Assistant Professors of English from School of Law played their role as the judges of this event. Two teams from School of Physiotherapy won the first place and School of Agricultural Sciences grabbed the second and third places.

### Digital Reels Competition

Digital Reels making competition on the theme 'My Vote My Future' was held at DSU from 6<sup>th</sup> to 14<sup>th</sup> March, 2024. The event was held with the primary goal of increasing voting awareness among our students. This initiative sought to emphasize the significance of actively engaging in the electoral process and cultivating responsible voting practices. The reels submitted by students were judged by Dr. Geetha, Dr. Anu and Mr. Prasanna Vengatesh from School of Engineering and technology and Dr. NN Bobby from School of Physiotherapy.

### Voting Awareness Workshop

Voting Awareness Workshop was organised on 13<sup>th</sup> March, 2024 at Dhanalakshmi Srinivasan University (DSU). The workshop aimed to create awareness about the significance of voting among the students. The workshop brought together around 300 participants from various Schools within the University. The workshop was organised by Dr. R. Vijayalakshmi, Electoral Literacy Club Coordinator and Dr. A. Vijai Ananth, Assistant Professor, School of Agricultural Sciences. The resource persons included Mr. Uthayakumar, Assistant Commissioner and Mr. E. Palanivel, Tahsildar, Mannachanallur Taluk. They gave an insightful talk about Voting Awareness to our students. Dr. M. Ravichandran, Dean School of Agricultural Sciences, Dr. Pathma J, Associate Dean Students' Affairs, Election Deputy Commissioner Mr. Natarajan and Revenue Inspector, Ms. Divya, Mannachanallur, Trichy graced the occasion. The workshop was a great success, leaving a lasting impact on all the participants and inspiring them to be responsible citizens.

### Lamp Fest 2K24

DSU hosted 'Lamp Fest 2K24,' on 7<sup>th</sup> March, 2024, an event brimming with excitement and promise. Organized by the Srinivasan Institute of Nursing and Dhanalakshmi Srinivasan University College of Nursing, this gathering served as a heartfelt induction for the future healthcare professionals who are embarking on a noble journey of service and compassion. The event was graced by esteemed dignitaries, including Dr. S. Nehru, MD, Dean, KAPV Government Medical College, Trichy, who honoured the occasion as the Chief Guest. Alongside Dr. C.K Ranjan, Vice Chancellor and Dr. Dhanasekaran Devaraj, Registrar, their presence underscored the university's unwavering commitment to nurturing the next generation of healthcare leaders. Under the guidance of Prof. Pechiammal, Dean, Paramedical Sciences, the incoming students participated in the traditional Nurse Pledge, a solemn vow to uphold the principles of compassionate care and professionalism. This sacred ritual symbolized their dedication to serving humanity with integrity, empathy, and excellence. More than just an event, Lamp Fest 2K24 was a warm embrace, a guiding light and a promise of a fulfilling journey ahead for these aspiring nurses. It marked the beginning of their transformative experience at Dhanalakshmi Srinivasan University, where they will be equipped with the knowledge, skills and values needed to make a positive impact in the field of healthcare. As we celebrate this auspicious occasion, let us extend our heartfelt congratulations to the incoming batch of nursing students. May the Lamp Fest 2K24 serve as a beacon of inspiration and motivation as they embark on their noble quest to heal, comfort and care for those in need.

### A Vibrant Celebration of International Women's Day at DSU

DSU celebrated International Women's Day on 8<sup>th</sup> March, 2024, with fervour and enthusiasm. Organized by the Gender Champions' Club under the Aegis of Students' Affairs, the event was a vibrant tribute to the achievements and contributions of women in our society. Dr. J. Pathma, Associate Dean, Students' Affairs, extended a warm welcome to the gathering, setting the tone for a day of meaningful reflection and celebration. The Chief Guest for the event was Dr. G. Poongothai, Deputy Director of Medical, Rural Health Services and Family Welfare, Dindigul District. She delivered an inspiring address, highlighting the pivotal role of women in shaping the future of our society. Dr. C. K. Ranjan, Vice Chancellor delivered the Presidential Address, emphasizing the university's commitment to fostering a culture of inclusivity and gender equality. Dr. Dhanasekaran Devaraj, Registrar, offered felicitations, underscoring the importance of recognizing and honouring the achievements of women in academia and beyond. The program continued with thought-provoking English elocution and Tamil poem recitations by students, focusing on the imperative of accelerating gender equality through economic empowerment. The cultural segment captivated the audience with mesmerizing semi-classical and fusion dances, showcasing the extraordinary talents of our students.

The day further unfolded with captivating performances of advanced yoga and outstanding silambam demonstrations by female students, exemplifying their strength, agility and resilience. The event culminated in a joyous prize distribution ceremony, where outstanding achievers of the elocution and poetry recitation competition were recognized and applauded for their stellar performances. Dignitaries including Deans and Associate Deans from various Schools graced the occasion, lending their support to the cause of gender equality. More than 250 female students and faculty members actively participated in the celebrations, embodying the spirit of solidarity and empowerment. Dr. R. Sathyapriya, Nodal Teacher of Gender Champions', extended heartfelt gratitude to all participants and supporters, reinforcing the university's commitment to promoting gender equality and breaking down barriers hindering women's progress.

### 360 Creatives Marks First Anniversary

Under the aegis of Students' Affairs, the Fine Arts Club, known as 360 Creatives, joyfully commemorated its First Year Anniversary on the 11<sup>th</sup> March, 2024. The event brought together a multitude of esteemed guests, faculty members, and enthusiastic student participants, making it an unforgettable celebration. Dr. Dhanasekaran Devaraj, Registrar graced the occasion with his presence, underscoring the significance of nurturing artistic expression within our academic community. Joined by distinguished figures including Dr. M. Ravichandran, Dean, School of Agricultural Sciences, Dr. A. Thulasi, Dean, Srinivasan Medical College and Hospital and Prof. A. Pechiammal, Dean, Paramedical Sciences, the event truly reflected the interdisciplinary spirit of creativity and innovation. The presence of Dr. Pathma J, Associate Dean, Students' Affairs and Dr. K. Rekha, Associate Dean, School of Allied Health Sciences, further emphasized the university's commitment to fostering a vibrant culture of artistic exploration and expression. Dr. NN Bobby, Staff Coordinator of the Fine Arts Club, played a pivotal role in orchestrating the festivities, ensuring a seamless and memorable experience for all involved. The event featured insightful discussions, interactive workshops and relaxation exercises designed to encourage participants to explore the importance of mental health and self-care. Attendees had the opportunity to share their thoughts, experiences and strategies for managing stress and maintaining overall well-being in today's fast-paced world.

### Celebrating Holistic Wellness Day at DSU, School of Physiotherapy Wellness Nest

On 13<sup>th</sup> March, 2024, the School of Physiotherapy Wellness Nest (Stress-Free Club) at DSU, in collaboration with the, proudly organized a special event - 'Holistic Wellness Day', commemorating World Mind Body Wellness Day. Holistic Wellness Day serves as a reminder of the interconnectedness of mind, body and spirit, emphasizing the importance of nurturing all aspects of our well-being for optimal health and happiness. Students had the opportunity to participate in workshops and discussions focused on promoting mental, physical and emotional well-being.

DSU-NEWS LETTER

From yoga and meditation sessions to nutrition and stress management workshops, the event offered a diverse range of activities tailored to suit different interests and preferences.

### Celebrating World Kidney Day at the School of Allied Health Sciences

On 14<sup>th</sup> March, the School of Allied Health Sciences at DSU came together to mark an important occasion 'World Kidney Day'. This annual event serves as a global platform to raise awareness about the importance of kidney health and the prevention of kidney disease. Highlighting the significance of this day, the school organized a special event featuring a guest lecture by Mr. Ganesh Aravind, a distinguished nephrologist from SMCH (School of Medical College and Hospital). Mr. Aravind's expertise and insights added tremendous value to the event as he delved into the topic of 'Resurgence of Kidneys After Failure'. His lecture provided a comprehensive understanding of kidney health, focusing on the remarkable capacity of the human body to recover from kidney failure. His presentation shed light on the latest advancements in nephrology and offered hope to those affected by kidney ailments. In addition to the enlightening lecture, the event showcased the talents of our students. A captivating mime show was performed by first-year students specializing in Dialysis Technology. Through their creative performance, they skillfully convey important messages about kidney health and the significance of early detection and treatment of kidney diseases. The event was a testament to the commitment of the School of Allied Health Sciences to promoting awareness and education about kidney health within the university and beyond.

### Awareness Drive on New Criminal Legislations

The School of Law at DSU organized an impactful awareness drive aimed at educating students about the newly enacted legal statutes, namely, Bharathiya Nyaya Sanhita, 2023, Bharatiya Nagarik Suraksha Sanhita, 2023 and Bharatiya Sakshya Adhinayam, 2023. The event was conducted on 27<sup>th</sup> March, 2024 that was attended by first and second-year students of the School of Law, the event was instrumental in fostering a deeper understanding of these pivotal legal frameworks. Under the guidance of Dr. Rajkumar, Dean, School of Law, and orchestrated by Ms. P. Renganayaki, Assistant Professor, the program was meticulously structured to ensure maximum student engagement. Notably, the initiative was predominantly led by students of II B.A LL.B, epitomizing a student-driven approach towards raising awareness about the newly legislated laws. Utilizing dynamic PowerPoint presentations, the event provided a comprehensive overview of the legal amendments, encouraging active participation and dialogue among attendees. The response from the students was overwhelmingly positive, with eager participation and insightful discussions reflecting their enthusiasm for learning. This initiative not only served as a platform for disseminating crucial legal knowledge but also underscored the collaborative spirit and commitment to excellence embodied by the School of Law at Dhanalakshmi Srinivasan University.

## Beyond campus

### School of Medical College and Hospital (SMCH) Leads Awareness Drives on Dengue Prevention and Snake Bite First Aid in Poonampalayam Village

On 5<sup>th</sup> January, 2024, Phase I MBBS students undertook a vital initiative to educate the public about dengue at the Village Panchayat office in Poonampalayam. Mr. Hari Krishnan, the village president, facilitated the gathering of the public for this informative session. Dr. Aarthi commenced the awareness program with an introductory session on dengue and outlined the topics to be covered. Students utilised charts to elucidate various aspects of dengue, including its signs and symptoms, associated dangers, preventive measures and information about Aedes mosquitoes and their breeding sites. Through visual aids, they demonstrated how stagnant water can serve as breeding grounds for mosquitoes and provided guidance on preventing water stagnation in the surrounding environment. The awareness program proved highly beneficial for the villagers, equipping them not only with knowledge about dengue but also with practical measures to safeguard themselves against mosquito bites.

Poonampalayam, Tamil Nadu, India

### Phase I MBBS Students Immerse in Community Health at ICDS Center, Witnessing Support Systems in Action

On 12<sup>th</sup> January, 2024 the Phase I MBBS students were given an insightful briefing on the Integrated Child Development Centre (ICDS), including its functions, beneficiaries and the pivotal role played by Anganwadi workers. Following this, the students were divided into groups of three, each comprising 50 students and were assigned a mentor. The workers provided detailed explanations about the center's functions, their own roles and responsibilities and demonstrated the preparation of supplementary nutrition provided to beneficiaries. Students had the opportunity to interact with both the children and Anganwadi workers, gaining first hand insight into their work environment and the services provided. This field visit proved highly beneficial for the MBBS students, offering them a valuable glimpse into the support systems in place for vulnerable populations in our nation.

### Discovering Architectural Gems: Kodumbalur Moovar Koil Heritage Walk

The first-year students of DSU recently joined a Heritage Walk organized by the Indian Institute of Architects (IIA) Trichy. Their destination: the Kodumbalur Moovar Koil, a site steeped in history and architectural brilliance. Located in Kodumbalur, this ancient complex of three Siva temples dates back to the ninth century, showcasing early and medieval Chola architecture. Believed to have been a temple city with a staggering 108 temples, Kodumbalur Moovar Koil stands as a remarkable example of our rich cultural heritage.

The visit encouraged students to explore narrow lanes and historical sites, offering glimpses into both the past and present. Inspired by the experience, they are eager to support conservation projects aimed at preserving our heritage. As they continue their journey, DSU remains committed to fostering a deep appreciation for history and culture among its students.

### MBBS Students Lead Tree Plantation Program for Environmental Sustainability

The introduction of a Family Adoption Programme within the Community Medicine curriculum, beginning in the 1<sup>st</sup> professional year of MBBS training, has been widely endorsed. This initiative aims to instill in students a sense of responsibility towards community health, with a focus on environmental protection. As part of this program, first-year MBBS students participated in an Environment Protection and Tree Plantation Program on 2<sup>nd</sup> February, 2024, at two ICDS centers in Vadakipatty village and Govt Middle School, Rasampalayam. Under the guidance of the Department of Community Medicine, students planted a total of 12 tree saplings, engaging attendees in educational sessions on the importance of trees and active participation in the planting process. This initiative successfully fostered student interest in environmental sustainability while promoting positive interactions between students and community members, ultimately contributing to a shared commitment to environmental conservation.

### Students Lead Community Transformation in Sanamangalam Village

Students from II year B.Sc. (Hons.) Agriculture recently participated in the 'Unnath Bharath Abhiyan' program in Sanamangalam village on 20<sup>th</sup> February, 2024. They engaged in village and temple cleaning, tree planting and fun games for students of R.C. St. Theresa pre-primary school. The students also conducted Participatory Rural Appraisal activities, demonstrating their commitment to community service and holistic learning.

## International Event

### Exploring Sustainability: Virtual Guest Lecture on 'Low Carbon Campus'

The Department of Biomedical Engineering organized a thought-provoking virtual guest lecture on the theme of 'Low Carbon Campus', on 27<sup>th</sup> March, 2024, this enlightening session aimed to delve into sustainable practices within the campus environment, emphasizing the imperative to reduce carbon emissions and foster environmental consciousness. The resource person for the session was Dr. Nagentrau Muniandy, Senior Lecturer from Taylors University, Malaysia, renowned for his expertise in the realm of sustainability. Dr. Muniandy's presentation commenced with a comprehensive overview of the significance of adopting low carbon practices within educational institutions. He underscored the pivotal role campuses play in advancing environmental sustainability and advocated for collective action. Students engaged in an interactive dialogue with Dr. Muniandy, exchanging ideas and queries on implementing low carbon initiatives within our campus ecosystem. In a special addition to the event, Dr. Sanjay Singh, Dean of the School of Engineering and Technology (SET), delivered a compelling talk on the pivotal role academic institutions play in spearheading environmental sustainability efforts. The virtual guest lecture on 'Low Carbon Campus' offered invaluable insights into sustainable practices within educational institutions, with Dr. Nagentrau Muniandy's expertise and engaging presentation style facilitates a comprehensive understanding of the subject.

## CME Events

### DSU's Pharmacology Department Hosts Successful CME on Hypertension Management

The Department of Pharmacology at DSU hosted a successful Continuing Medical Education (CME) event on 14<sup>th</sup> March, 2024, focused on 'Updation of Hypertension Treatment and Complications'. The event, which aimed to update medical professionals on the latest advancements in hypertension management, featured insightful sessions by renowned experts. Dr. S. Thamilarasi, Professor and Head of the Department, highlighted the importance of staying updated on hypertension treatment. Dr. G. Gnanasenthil discussed hypertension pathophysiology, while Dr. L. Muthumani explored recent guidelines and management strategies. Additionally, a quiz competition for second-year MBBS students was conducted, adding an interactive element to the event. The program concluded with a vote of thanks and appreciation for all contributors, marking a successful culmination of the CME program.

### Pioneering National CME on Gynaecological Cancers Sets New Standard in Medical Education

Srinivasan Medical College, with TNASO and TRIOES, hosted a pioneering national CME on 16<sup>th</sup> and 17<sup>th</sup> March, 2024 on the topic - Gynaecological Cancers. Over two days, 150 delegates and 22 speakers from South India joined in a hybrid format. The event featured laparoscopic surgery demonstrations, evidence-based treatment guidelines, expert talks, quizzes, and poster competitions, providing a comprehensive update in the field.

## Students achievements

### AECT Students Excel at Prestigious National Paramedic Conference: Fostering Innovation and Collaboration in Healthcare

Students from first-year AECT 04 students, second-year 03 AECT students, and third-year AECT 06 students, as well as 1st year CCT, had the opportunity to attend the engaging '2<sup>nd</sup> National Conference of Paramedic Mastermind Series – 2024' on 27<sup>th</sup> January, 2024, hosted at Dr. Mehta's Hospitals in Chennai. Accompanied by esteemed faculty members Mr. S. Santhosh and Ms. V. Jeyasri, it was a valuable experience for all involved, fostering learning and collaboration in the field of paramedicine.

### Championing Innovation: AHS Students Lead the Way in Healthcare Technology and Environmental Solutions

Ms. DhanaSri V and Ms. Swetha S, both pursuing their M.Sc. in Medical Microbiology, showcased exemplary innovation at Hack o verse'24 held at DSU on 30<sup>th</sup> and 31<sup>st</sup>, January 2024, with their project, 'Degradation of medical plastic waste by microbes'. Their outstanding performance, securing the top position out of 86 competing teams, underscores their dedication and the significance of their research. Moreover, their collaboration opportunity with a Tamil Nadu startup marks a significant step forward in initiating this impactful project. Through their dedication and scientific ingenuity they demonstrated the potential of innovative solutions in contributing to a sustainable future.

Ms. Gokilambal.R -II, B.Sc. Physician Assistant, Jyothika.J.P., B.Sc. Radiology, Eskalin Abetha.R, B.Sc. Physician Assistant and Afshin Maryam.T, B.Sc. Physician Assistant also showcased their innovative prowess with their project titled 'Medical Technology (Wearable Watch)'. Their participation underscores their dedication to exploring advancements in healthcare technology. Through their collaborative efforts, they contribute to the ongoing dialogue surrounding medical innovation.

### DSU's School of Physiotherapy Excels at 'Revive'24 National Conference

The School of Physiotherapy at Dhanalakshmi Srinivasan University showcased its prowess at the prestigious 'Revive'24 National Physiotherapy Conference, hosted by the SRM Institute of Science and Technology, College of Physiotherapy, Trichy, on 2<sup>nd</sup> March, 2024.

Both undergraduate and postgraduate students from DSU participated enthusiastically in the event, leaving an indelible mark in the competitions held for Poster and Quiz categories.

Poster Competition Winners:

- 1<sup>st</sup> Prize: Mr. Jaffer Sheriff - 3rd year
- 2<sup>nd</sup> Prize: Ms. Swathiand & Ms. Janani - 1st year
- 3<sup>rd</sup> Prize: Ms. Hemasri Haushala & Ms. Pavaniyal - 3rd year

Quiz Competition Winners:

- 1<sup>st</sup> Prize: Ms. Priyadharshini & Ms. Sneha Dharshini, 3<sup>rd</sup> year

### **Victory at TeXHnK: DSU students Excel in Inter-College Competition at SRM Institute of Science and Technology**

The College of Allied Health Sciences at SRM Institute of Science and Technology recently hosted an exhilarating inter-college competition as part of TeXHnK, held on 13<sup>th</sup> March, 2024. The event showcased the diverse talents and skills of students across various disciplines. Participation was robust, with first-year MLT, CND, and CLP students from the school of Allied Health Sciences, DSU. They enthusiastically joined various contests, including Piczonemoc, Mystify, Caricature, Dazibae, Catechize, Confab, Reecho on and Frizk & Flick. Amidst stiff competition, students demonstrated exceptional prowess, securing top honours in multiple events.

Kishore A, Pradeep Raj M and Sivani from the first-year MLT program emerged victorious, clinching the first place in Reecho on. Additionally, Dharshini R, also from the MLT program, garnered the Mystify award, showcasing outstanding talent and ingenuity.

### **Kamalesh of BPT - Second Year Clinches Gold Medal at 20th National Championship**

Dhanalakshmi Srinivasan University is proud to congratulate Kamalesh, a student of BPT - 2nd Year, for his outstanding achievement at the 20<sup>th</sup> National Championship held at CSI Hall, Kanyakumari, from 22<sup>nd</sup> to 25<sup>th</sup> March, 2024. Kamalesh showcased exemplary skill and dedication in the event of Silambam, securing the prestigious gold medal. His remarkable performance not only highlights his individual talent but also brings honour to DSU.

This is not the first time Kamalesh has shone in his chosen field. His consistent excellence and unwavering commitment to Silambam have been evident throughout his journey, making him a shining example of determination and proficiency.

### **School of Pharmacy in all the events**

Introducing the dynamic achievements of the School of Pharmacy at the university's vibrant celebrations. The School of Pharmacy students displayed outstanding prowess and determination, earning accolades in various competitions organized by different schools within the university. The Pongal Celebration saw students dominating traditional games, with notable victories in the three-legged race and sack race. During the Cultural Extravaganza, they showcased their talents, particularly excelling in tug of war.

Republic Day festivities witnessed students securing a remarkable third place in the dance competition. Furthermore, in commemoration of World Radio Day, students displayed their broadcasting finesse, earning recognition in the riveting radio station competition.

The culinary skills of first-year D.Pharm students shone bright during the National Banana Bread Day Celebration, clinching top positions in the cooking competition. In the realm of science, students demonstrated their scientific acumen, securing positions in various events during Tectopia 2024. Additionally, they played an active role in commemorating International Women's Day, contributing eloquent speeches and captivating poetry. Promoting civic engagement, students actively participated in the Voters Awareness Campaign, showcasing their talents in poetry, essay writing, poster making, quiz and digital reels making. Notable achievements include securing top positions in Tamil poetry, English essay and digital reels. Moreover, students made their mark in the Cliq Club Photography Contest, capturing moments that resonated with creativity and vision.

The School of Pharmacy students' remarkable achievements across diverse competitions reflect their unwavering dedication, talent and spirit of excellence, further enriching the tapestry of our university's celebrations.

## Dr. S Rafi Ahamed Joins IAENG - A New Milestone in Academic Excellence

Dr. S Rafi Ahamed, Associate Professor of Physics at Dhanalakshmi Srinivasan University, Trichy, has been granted membership in the esteemed International Association of Engineers (IAENG). This recognition serves as a testament to Dr. Ahamed's unwavering dedication and exceptional contributions to the field of physics. His expertise and commitment continue to enrich our academic community and inspire colleagues and students alike.

## IAENG INTERNATIONAL ASSOCIATION OF ENGINEERS

Date: 10 January 2024

To Whom It May Concern:

Official Letter for the IAENG Membership

Member Name: Dr. S.Rafi Ahamed,

Member Number: 191045

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website <http://www.iaeng.org/membership.html>

If you have any question, you are very welcome to contact us at any time.

Best regards,

Joan Mok  
Assistant Secretary
